

Content area: Chemical Use, Abuse & Dependence

Task: **YRBS Family Feud**

(20 minutes)

We will divide into two teams, and play Family Feud to discover the YRBS statistics for the state and your district. We will discuss as a large group.

Rules

One member from each team comes to the front of the room: shake hands with member of other team, hands behind back. Read question, and then participants ring bell when they think they know an answer. First to answer: if number one answer, goes to their team. If not, other team has one chance to give the number one answer. Three strikes for team attempting to answer, then goes to other team.

Materials

- 8 ½ x 11 piece of paper with category listed on it, one for each category
- post-it notes with each answer within each category listed
- Dinger bell
