

The Vermont Department of Mental Health
and Center for Health & Learning present:

THE LIFELINES PROGRAM FOR SUICIDE PREVENTION: Creating Communities of Hope Fall 2009 Trainings

For Vermont Middle and High Schools

Three locations, three chances to participate:

September 15 & 16

October 14 & 15

November 4 & 5

Killington

Stowe

Montpelier

You will be asked to send a team consisting of an Administrative Sponsor, School Liaison, Community Liaison and Health Teacher. This training is a prerequisite for the implementation of the *Lifelines* Suicide Prevention curriculum in your school. Curriculum trainings will be offered in winter 2009-2010.

For details on team requirements, cost and registration:

www.healthandlearning.org

The cost for these trainings is being underwritten by funding from the Garrett Lee Smith Memorial Act.

A fee of \$35 per person includes participant materials and a catered lunch.
