

## **STUDENT EVALUATION/THANK YOU LETTER OF THE HIV+ SPEAKING ENGAGEMENT**

In the form of a thank you letter to the speaker, please offer feedback on the impact of the speaker's presentation. This information will be used as evaluation data for the program and will also be provided to the speaker as feedback.

In your letter:

- 1) Describe 3 ways the speaker's visit affected the way you think and feel about HIV risk.
- 2) Name the ways you intend to protect yourself from HIV in the future.
- 3) Describe how the speaker's visit will affect your response to HIV positive people in the future.
